

PRE-STRESSED CONCRETE PANELS

NATIONWIDE DELIVERY

Our panels are extremely versatile and can be used in a number of applications; including but not limited to:

- **Industrial/Commercial buildings**
- **Warehouse units**
- **Retaining walls**
- **Grain stores**
- **Livestock buildings**

The panels are tongue and groove fitting; meaning construction is quick, strong and gives a clean finish.

Manufactured using high tension wires for ultimate resistance and strength, our pre-stressed panels are made to the highest specification.
